

Dear LATA Members,

Firstly, we would like to pass on our well wishes at this difficult time to each and every one of you. Stay safe, and we hope, as much as you do, that all will return to normal as soon as possible.

With the madness of the last couple weeks, we know you'll have been busy with cancellations and rescheduling client trips. As this dies down, and with the latest government advice to stay home, we wanted to offer something that will help you make the most of your time, and enables you to hit the ground running when the travel industry picks back up.

## For all travel companies interested in Vamoos

For many of you, you will have thought of using Vamoos before, but never really had the time to explore it fully.

We're therefore offering you a **3 month fully supported trial of the system\*** with your own account, completely free of charge.

You'll then be able to explore all features and functionality, and work with our expert team to make the most of it for your business.

## For current Vamoos clients

We're here to support you in any way possible, so our account managers are opening up their calendars for the next **3 months to provide any training you and your team need.**

This could be a refresher on all Vamoos capabilities, or it could focus on particular features or functionality - it's completely up to you.

Simply use the link below to book time in with our account managers.
