

## **Journey Latin America**

With over 40 years of experience in creating award-winning holidays to Central and South America, Journey Latin America is the UK's leading specialist in travel to Latin America. From the palm-fringed beaches of Mexico to the shimmering glaciers of Patagonia, we cover every corner of Central and South America as well as Cuba and Antarctica.

So, whether your clients are looking to join a small escorted group tour accompanied by one of our expert tour leaders or they prefer to have a holiday specially designed to meet their exact requirements, please get in touch as we'd love to help you.
